A Program of the Mt. Hebron High School Department of Music

WINTER CONCERT

In music class we select, analyze, interpret, rehearse, evaluate, and refine music... a universal language and experience.

Mt. Hebron Music

The **Department of Music** has a long history of musical excellence and artistry since the school opened in 1965. The department serves over 500 students through both performance-based and non-performance-based classes. Included in the curriculum are 3 concert bands, percussion ensemble, jazz ensemble, jazz combo, 2 choirs, and 3 orchestras, as well as classes in piano, guitar, music theory, and music technology. In addition to the curricular classes, various co-curricular ensembles and musical experiences are offered.

The **Music Program** is guided by a commitment to professional performance standards. Its atmosphere challenges students to realize their full potential and provides musical and intellectual stimulation to foster growth.

Howard County Parents for School Music (HCPSM)

Howard County Parents for School Music (HCPSM) is a grass roots advocacy group that formed in the winter of 1993 in response to issues surrounding the school system budget and its implications for the music program.

HCPSM, consisting of parents, teachers, community members, concerned citizens, and business representatives, was able to show its support for the music education program then, and continues to do so today.

The Primary goal of HCPSM is to raise awareness within the community and among decision-makers about the value of the music education programs in our schools. All of the programs and activities, including election the Music Educator of the Year Award, are intended to give much needed support to the schools and their music teachers.

Parent volunteers are needed to serve as leaders and music advocates in their schools. If you are interested in becoming involved with HCPSM, please contact your school's music teacher or HCPSM Chairperson at hcpsmchair@gmail.com.
