to register

*Families are encouraged to attend and can sit in the parent section next to the band. Students should bring \$\$ for concessions.

Hello Future Vikings,

I would like to invite all student musicians in grades 5 - 8 who will attend Mt. Hebron High School to join the Mt. Hebron Marching Unit (MtHMU) on Friday, September 23. Our Future Vikings event is fun evening under the stadium lights as our Hebron football team takes on the Hawks of River Hill. Students will pair up with a high school musician and march onto the field for our pre-game show. Students will then join the band in the stands as we cheer on our Vikings. Students will also get a front row seat to see and hear our halftime performance featuring the music of *Cirque du Soleil*. After halftime, students can visit the concession stand for a quick snack before returning to the stand for the second half. After the game is done, students will march out of the stadium with the band and back to the band room. I hope you will join us for this awesome Mt. Hebron tradition.

WHO: Musicians in grades 5 - 8 who will attend Mt. Hebron HS

WHAT: Future Vikings Night!

WHERE: Mt. Hebron High School

(Students should report to the band room (room 133) upon arrival.)
