Mt. Hebron Music

The Mt. Hebron High School Department of Music has a long history of musical excellence and artistry since the school opened in 1965. The department serves over 500 students through both performance- and non-performance-based classes. Currently, there are 3 concert bands, percussion ensemble, jazz ensemble, jazz combo, 3 choirs, a cappella ensemble, and 3 orchestras. Additionally, the department offers classes in piano, guitar, music theory, and music technology. A variety of curricular and co-curricular ensembles and musical experiences are also offered.

The department is guided by a commitment to professional performance standards and a strong desire to cultivate community. Its atmosphere challenges students to realize their full potential and provides musical and intellectual stimulation to foster growth. In the end, the music we create is a representation of our collective spirit.

Congratulations

to the following Mt. Hebron High School students on their selection to local, state, regional, and national honors ensembles:

Howard County Parents for School Music (HCPSM)

Howard County Parents for School Music (HCPSM) is a grassroots advocacy group that formed in the winter of 1993 to respond to issues surrounding the school system budget and its implications for the music program. HCPSM, consisting of parents, teachers, community members, concerned citizens, and business representatives, was able to show its support for the music education program then, and continues to do so today.

The primary goal of HCPSM is to raise awareness within the community and among decision-makers about the value of the music education programs in our schools. All of the programs and activities, including election of the Music Educator of the Year Award, are intended to give much needed support to the schools and their music teachers.

Parent volunteers are needed to serve as leaders and music advocates in their schools. If you are interested in becoming involved with HCPSM, please contact your school's music teacher or HCPSM Chairperson at hcpsmchair@gmail.com.
