Part of what we do in music class is

select, analyze, interpret, rehearse, evaluate, and refine music... a universal language and experience.

With this in mind, it is with great pride that we present these young people this evening.

## **Howard County Parents for School Music (HCPSM)**

Howard County Parents for School Music (HCPSM) is a grass roots advocacy group that formed in the winter of 1993 in response to issues surrounding the school system budget and its implications for the music program.

HCPSM, consisting of parents, teachers, community members, concerned citizens, and business representatives, was able to show its support for the music education program then, and continues to do so today.

The Primary goal of HCPSM is to raise awareness within the community and among decision-makers about the value of the music education programs in our schools. All of the programs and activities, including election the Music Educator of the Year Award, are intended to give much needed support to the schools and their music teachers.

Parent volunteers are needed to serve as leaders and music advocates in their schools. If you are interested in becoming involved with HCPSM, please contact your school's music teacher or HCPSM Chairperson at [hcpsmchair@gmail.com](mailto:hcpsmchair@gmail.com).
